2	Ken Taylor	Wessex Weasel Frog 150	42	11.79	76.33	9

April was the first month of this competition and the weather was atrocious. It caught almost all but three of the competitors out. We therefore have only three scores to start the 2012 season. So much for all those new models and tweaked engines over the winter, just raring to go that little bit faster in 2012. Oh well there's always May, so watch this space.

The next event is at Middle Wallop on Sunday 6 May. Full details of this event and other Wessex League competitions are available on our very own website: [www.wessexaml.co.uk](http://www.wessexaml.co.uk)
