This was the first month of this competition and hopes were high - the wind blew, the lightning flashed, the thunder roared and the sun shone, but superb flying days were at a premium.

However, nobody scored a 10 minute maximum. Due to poor weather conditions on Sunday the Round Robin event at Flamstone Farm had to be cancelled. Round 2 becomes Round 1 at Wimborne MAC's Cashmoor flying field on Sunday 27 May, see you all there.

There are five more months of the competition to go and a lot can happen in that time. Don't forget to make the best of any good weather in May ..... when I'm sure the weather will improve ..... it has to get better, surely? This weekend perhaps!

Rick Churchill, the winner in April.
