2	Rick Churchill	1121	1	Sky Rover 2.1m	24
3	David Ralph	1053	1	Apollo 2.3m	23
4	Chris Hague	963	1	Apollo 3 2.3m	22

This was the second month of this competition and many of the regulars forgot to fly! May was one of the longest months of the year as well, with 31 days to choose from!

This month the scores were very close and everyone managed one 10 minute maximum flight.

There are four more months of the competition to go and a lot can happen in that time. Don't forget to make the best of any good weather in June. Remember there will only be 30 days to choose to fly in June!
