

## 2018 WESSEX AML *Low-Cost 600RES* INVITATION MONTHLY POSTAL ELECTRIC THERMAL COMPETITION

### Results for June 2018

Position	Name	10's		Model	Points
		Score			
1	Rick Churchill	982	0	Sky Rover 2.1m	25
2	Chris Hague	920	0	Apollo 3 2.3m	24
3	Roly Nix	667	0	Titan 2.3m	23

This was the third month of this competition and many of the regulars forgot to fly! A very poor entry of only three, June does have 30 days to choose from!

There are three more months of the competition to go and a lot can happen in that time. Don't forget to make the best of any good weather. Remember there are 31 days to choose to fly in July! With such a low entry it makes me wonder if it is worth running the competition in future.
